Be so careful in all the details of a real estate transaction and yet neglect the question of **TITLE?** Because it is largely a matter of opinion, anyway. This Company issues a regular policy of Insurance instead of an opinion.

## WHY

Be so careful in all the details of a real estate transaction and yet neglect the question of **TITLE**? Because it is largely a matter of opinion, anyway. This Company issues a regular policy of Insurance instead of an opinion.

LEVEY BROS & CO.  
INCORPORATED  
PRINTERS, STATIONERS AND LITHOGRAPHERS  
INDIANAPOLIS, IND.

Dear Sirs:

In these days of "Systematic Systematizing", both in Filing, Card, Ledger and general utility systems, lessening the need of an increased office force for a vastly increased business, it may be worth your while to visit us and see the many devices for time saving that we install.

This is an age of time saving methods--a period of careful research for the best things in both applicable systems for the office and proper, judicious and attractive advertising, which are profitable for the business. We are equipped to serve you in either.

We do not merely print things--we create them. We print nearly all the strictly high-class catalog and booklet work you see around Indianapolis.

Ideas, useful and profitable, both in printing and systematizing, we promulgate.

The Neidich process of printing type-writer letters has occasioned talk. We do this work and can interest you.

Very respectfully,

*Levey Bros & Co*

## WHY

Be so careful in all the details of a real estate transaction and yet neglect the question of **TITLE?** Because it is largely a matter of opinion, anyway. This Company issues a regular policy of Insurance instead of an opinion.

## WHY

Be so careful in all the details of a real estate transaction and yet neglect the question of **TITLE?** Because it is largely a matter of opinion, anyway. This Company issues a regular policy of Insurance instead of an opinion.

## WHY

Be so careful in all the details of a real estate transaction and yet neglect the question of **TITLE?** Because it is largely a matter of opinion, anyway. This Company issues a regular policy of Insurance instead of an opinion.

## WHY

Be so careful in all the details of a real estate transaction and yet neglect the question of **TITLE**? Because it is largely a matter of opinion, anyway.

This Company issues a regular policy of Insurance instead of an opinion.

# **LITTLE STEEL SAFES FOR SAVINGS**

---

The Security Trust Company, 48 North Pennsylvania Street (opposite the post office), loans to its depositors neat little banks, which the depositors take home. These banks have tumbril devices to prevent any one from "picking" the banks. The banks can be opened only at the Trust Company's office where the keys are kept. This plan helps depositors to overcome a temporary desire to spend part of their savings which they are keeping at home.

A Deposit of One Dollar will Open an Account and  
obtain one of these Banks. Interest of Three Per Cent.  
per Annum Allowed.

Money Can be Withdrawn at Any Time in Accord-  
ance with the Savings Bank Law of Indiana.
